SUMMARY

This beautifully decorated ground floor apartment has a lovely open plan lounge and fully fitted kitchen with built-in electric hob and oven. Furthermore, patio windows make it very light and airy.

It comprises a double bedroom, an additional single bedroom/office, modern fitted bathroom and large communal gardens.

Access is by a remote intercom system which ensures security and safety at all times!

It is situated on the bend on Crookesbroom Lane and is quiet, for such a central location.

Within the village of Hatfield are local shops, local pubs, supermarkets, regular bus service into Doncaster town centre and access to the motorway.

Once again we do strongly recommend a very early inspection to appreciate the accommodation offered. This property is available from the end of April 2024 and will be fully re-decorated with new bedroom carpets.
